

Time4Care™ Anywhere

Convenient, "on the go" entry and approval of time sheets

PCG |

Public Partnerships

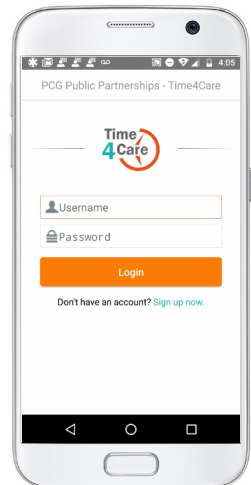

Supporting Choice. Managing Cost.™

Easy to learn and simple to use

Time4Care offers:

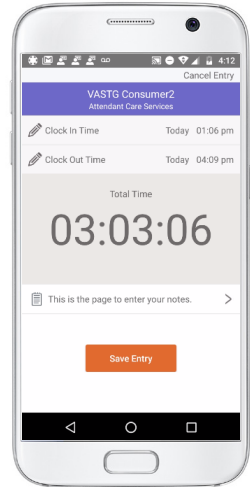

- A time saving two-step sign up and BetterOnline web portal account registration right from your cell phone
- Calendar-like easy to understand screens
- Privacy with Touch-ID for secure, unique login access
- Reminders to submit your timesheets
- Notifications when timesheets are ready for approval

Flexible timesheet entry and edit options to keep you organized

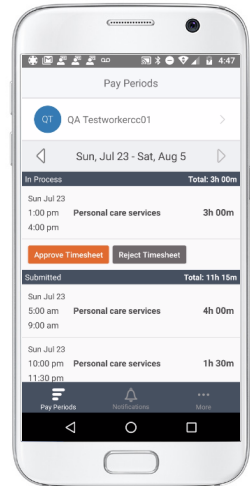

Time entry options include:

- Daily timesheet entry OR entire timesheet entry
- Manual timesheet entry for past hours worked OR Clock In/Clock Out in real time
- Easy activity entry
- A notes page to document your activity

Independence and peace of mind

- ➔ **Convenience** to edit your timesheets anytime or anywhere
- ➔ **Freedom** to edit and enter time offline without internet access
- ➔ **Options** to approve and submit timesheets anywhere there is internet access
- ➔ **Peace of mind** through notifications when you have successfully approved and submitted timesheets
